- I.** Chairman Phil Miller called the meeting to order at 12:20PM in the conference room at the Estuary Council of Seniors on Main Street in Old Saybrook immediately following the completion of a morning session of the National Incident Management System training. Selectmen Klein, Bransfield, Koch, Brayshaw and Raffa also participated in the training session.

II. Minutes

Tim Griswold moved that the minutes of the May 28, 2006 meeting be approved as circulated. The motion was seconded by Mike Pace and unanimously approved.

III. Reports from Legislators

A. Betty Wagner reported that the House of Representatives recently passed H.R. 5852 which is an Emergency Communications Bill that was cosponsored by Rep. Simmons

Last week, the House also passed H.R. 4472 which helps protect children from internet predators.

IV. Business

A. Next Meeting

Mike Pace moved that the August meeting be cancelled. The motion was seconded by Brad Parker and unanimously approved. The next meeting will be on September 27, 2006.

Chairman Miller asked members to submit suggestions for speakers and/or discussion.

Mike Pace suggested that further attention be paid to the advantages of joining the newly formed Health District.

Brad Parker moved that the meeting be adjourned.
The meeting was adjourned at 12:24 PM.

Respectfully submitted,

Wini Olson, Staff
